Dear Parent/Carer

Swanwick School and Sports College is Going Paperless

As you will be aware, we've recently launched a new website and app. The eSchools system will allow us to email school letters directly to parents and carers (as long as we have your correct email address on our records) and the app will allow us to send you notifications about events. This will help improve communications between us and home and ensure everyone is up to date with everything happening at Swanwick School and Sports College.

As a result of the success of the app, and to do our bit to save the environment, it has been decided that after we return from half term, the school will be going paperless and all future communications will be sent electronically.

If you've not yet activated your eSchools login, please use the details that were returned home with pupils last month. If you no longer have a copy of these, please email us with your name and the child you have parental responsibilities for to info@swanwickssports.college.derbyshire.sch.uk and we will ensure that we get a copy of your login details sent over to you.

Yours sincerely

Mr C Greenhough and Mrs D England
Co-Headteachers

Headteachers: C Greenhough & D England
