27<sup>th</sup> November 2024

Dear Parents/Carers,

All pupils at Swanwick School and Sports College have individual log ins for our subscription for Purple Mash. It can be accessed through a laptop, desktop or tablet through the website [www.purplemash.com](http://www.purplemash.com).

Purple Mash is a great educational resource that allows pupils to access a wide variety of cross-curricular resources and is a safe online environment that doesn't require any downloading, transactions or online interactions.

Pupils have been taught how to log in and access their Purple Mash account at school and will be coming home this week with their username and password so they can access Purple Mash at home. We encourage you to log on with your child and explore the website together.

Teachers may set 'To dos' for pupils and pupils can explore the website for activities independently.

Work may be set through Purple Mash if the school is closed for the day but pupils are also free to use this resource independently.

Yours sincerely,

Mrs Hardy
