Dear Parents/Carers

At SSSC we offer additional help and support to families to ensure the wellbeing of our young people through our Pastoral Team.

Some parents/carers have told us they would like to receive information on additional support school may be able to offer our young people.

Due to a variety of reasons some parents/carers were unable to attend the original coffee morning / workshop we had planned this half term. We have now booked in a new date as we felt it was important to give as many parents and carers the opportunity to attend and have as much notice as possible.

Therefore, we would like to invite you into school on Monday 5th February 2024 at 10.30 - 11.30am for a coffee morning and information from the Changing Lives Team (Compass) on how to support children and young people with mild/moderate mental health issues, anxiety or worries. There will also be some of the pastoral team available for you to chat to and of course catch up with other parents/carers.

Please let us know if you would like to come along by emailing info@swanwickssportscollege.derbyshire.sch.uk, who is coming and your son/daughters name, so we are able to prepare for you arriving.

Yours sincerely,

Claire Moody
