## **RSE Consultation**

Dear Parents/Carers,

We wanted to inform you that the period of consultation for the updated Relationship, Sex, Education (RSE) Policy has now closed. We would like to take this opportunity to thank those that took the time to complete the relevant questionnaire and provided useful feedback for us.

As a result, we have now created a section on the 'Parent Zone' of the school website under 'Useful links and information' on RSE. Within this section, we have started to include some recommended websites and documents to support you at home with tackling various issues around RSE for you and your child. This section will continue to develop over time.

In addition, you will now find our updated RSE policy in our 'Key Information' section of the website.

If you have any questions or anything else you would like to discuss in relation to RSE then please do let us know.

Yours sincerely

C McKee

Assistant Headteacher
